.....

All you need to know for January

Read and be ready for all the things happening in the month of January

by [Abas Regassa](#) on January 12th 2023

Dear Parents and Guardians,

I hope this letter finds you well. The school year is off to a great start and we are excited for the upcoming events in January.

As a reminder, school will be closed on Monday, January 16th in observance of Martin Luther King Jr. Day. We encourage you to take the time to reflect on the legacy of this important historical figure.

Additionally, the second quarter will end on Friday, January 20th. We encourage you to push your students to finish the semester strong and strive for academic excellence. This also means we don't have school on the 20th as it will be grading day for teachers.

On January 26th and 27th, we will be holding parent-teacher conferences. You will be receiving more information on this in the coming days. We look forward to meeting with you and discussing your child's progress.

Exciting event coming up!

3rd, 4th and 5th graders will be going on an ice fishing trip on the 30th of January thanks to our generous partners and Friend Karl Erikson.

Winners

As you all know, MobyMas is one of the best academic tools we have at our school. We encourage all students to spend as much time as they can on mobymax so they can do better stay ahead in their education.

Our MobyMax Winners for last quarter are 5th graders! They had the highest accumulated total points in the school. They were awarded with a pizza party this past Friday!

Thank you for your continued support. We wish you a great January and look forward to the many events that are yet to come.
