 Bultum Academy e-Learning

The state of Minnesota allows for e-Learning on days when the school is closed due to weather or emergencies. Bultum Academy's goal with e-Learning is for students to continue to learn while at home on these days.

For grades K-2 the activities should take 45 minutes – 2 hours during the day. For grades 3-5 the activities should take approximately 2 hours.

Please have your child choose at least one activity from each column. Mark the activity chosen with a check mark.

Please complete the bottom of the form and have your child return the form to the school within 3 school days.

If your child is not able to complete the e-Learning plan or is sick, please leave a message on the school phone line, 763-568-4659.

Your child's teacher will be available by email from 9 AM – 2 PM. If you have questions, please email the teacher and they will get back to you.
